

Important Announcement

March 16, 2020

In an effort to do our part to contain the spread of COVID-19, please be advised of our current plans to continue to provide services to our clients and employers while mitigating exposure. The following outlines our strategy to date, which may be subject to change on short notice.

As of noon on Monday, March 16, 2020, our office will not be open to the public, though we continue to provide assistance to our clients and employers using alternative means. We anticipate re-opening our office to the public on Monday, April 6, 2020, but will be following the recommendations of Peterborough Public Health. Please check our website and social media for updates, links are listed below.

Our staff are committed to ongoing service to job seekers and employers. All current clients will be contacted and provided with information that will allow them to receive continued service by telephone or email. New clients wishing to inquire about services can call **(705) 748-9110** and speak to an available Counsellor. Employers may still post positions and speak with staff by calling the same number. All workshops and group-based programming is on hold until April 6.
